# Meeting agenda

---

- As usual, a packed program, organized into sessions; a mix of:
  - status of the central production, ECCO v4
  - update on related regional activities
  - selected scientific achievements
  - ongoing developments relative to proposed milestones
  - what's missing
  - where are we headed – short-term vs. long-term
- Aim is to be informal and enable discussions
  - keep your presentations to **12 minutes** to allow Q&A
